

116A - APPLICATION QUESTIONNAIRE

Point Level Bin Monitors

Name: _____ Date: _____
 Company: _____ Job Title: _____
 Telephone: _____ Address: _____
 E-mail: _____ City, State: _____
 Industry of End User: _____ Country, Zip Code: _____

Material: (Trade and/or Scientific Name) _____

Physical Properties:

Bulk Density: _____
 Particle Size: _____
 Dielectric Constant: _____
 Conductivity: _____
 Viscosity: _____

Process Temp (°F):

Min: _____
 Max: _____
 Normal: _____

Moisture (%):

Min: _____
 Max: _____
 Normal: _____

Slurry: _____ % solids

Material Characteristics: (Check All That Apply) Abrasive Corrosive Coats Wall or Probe

Vessel: Single Wall Jacketed

Vessel Material: _____

Pressure:

Min: _____
 Max: _____
 Normal: _____

Environment: (Check One)

Indoors Outdoors

Hazardous Location Approvals Required: _____

Application:

High Level Low Level Intermediate Level
 Top Mount Side Mount Cone Mount Other: _____

Output Will Control: _____
