756A - APPLICATION QUESTIONNAIRE

Moisture Measurement System - HumiCore™

Company: _____	Date: _____
Site Contact: _____	Job Title: _____
Telephone: _____	Address: _____
E-mail: _____	City, St, Zip: _____
Industry of End User: _____	Country: _____

Target Material: (Trade and/or Scientific Name) _____

Moisture Range to be Measured: _____	Material Temp:	Ambient Temp:
Particulate Size: _____	Min: _____	Min: _____
Particulate Size Range, if variable: _____	Max: _____	Max: _____
Density of Material: _____	Normal: _____	Normal: _____
Density Range, if variable: _____		
How is Material Conveyed: _____		
Speed of Conveyor: _____		
Height of Material On / In Conveyor: _____		
Is There a Possibility of Material Segregation: _____		
Is There a Possibility of Mechanical Vibration: _____		
What is Expected Accuracy: _____		
Hazardous Location Approvals Required: _____	Type: _____	
Aggressive Ambient Vapors or Gasses Present: _____		

Voltage: [] 230V AC [] 115V AC [] 24V DC [] 24V AC
